

Founded by small business owners to **look out for small business owners.**

Who We Are

We were founded by small business owners to look out for small business owners. VizyPay's purpose is to level the playing field for small to medium-sized businesses through transparent pricing, personal customer and tech support, and innovative payment technology.

What We Offer

You have access to proprietary technology built to fit the needs of small business owners and an award-winning cash discount program that allows business owners to offset up to 100% of processing fees and has saved VizyPay merchants \$30 million to date.

Scalable Solutions

We will work with you to find the right program and technology for your business.

No Long-Term Contracts

We want to earn your business each and every day, which is why we don't believe in contracts.

Transparency

We pride ourselves on honesty and transparency. No annual or hidden fees when you process with VizyPay.

Top-Rated Support

When you have a question, you shouldn't have to wait. Our support team is standing by to speak with you in 30 seconds or less.
